TRASH RATE INCREASE

At the November Council Meeting, the Council approved a \$1.00 rate increase per customer per billing period for trash, effective January 1st, 2008. The new rate will be \$21.00 per billing period. The reason for the requested increase is due to increased costs for landfill usage and the price of gasoline.

Please visit the website at www.ozawkie.org/Humane_Shelter.htm to view the "featured pet", as well as, learn more about how you can help.
- ▶ Heaven's Closet & Pantry – This organization is a clothing and food bank for homeless or underprivileged people. They will take anything **new or used**.
