Winter weather street clearing...

All citizens are encouraged to refrain from parking on the streets when it snows/ices.

This will allow for better snow removal along the streets. Also, the maintenance employees are doing their best to make sure that the roads are safe and clear of ice, but if you have a comment or complaint, please don't hesitate to contact the Mayor, Councilmember's, or the Ozawkie City Office

Please fill out this survey and return it to the Ozawkie City Office. This survey is also available to complete online.

- Seal coating on existing streets
- Spend no money on street improvement
- Other needs _____
