Having no plans to review, there was a general discussion on ordinances and ways to inform the residents of the city that we do have Building and Construction Ordinances, Amended Building Codes, Regulations, and Planning and Zoning. The realtors also need to be informed so they can better inform their clients that there are ordinances in the city.

Being no other business Mark Hothan Made the motion to adjourn the meeting. Arnold Leek seconded the motion. The committee voted Aye.

The meeting was adjourned at 7:35 p.m.
